

**9/1/07, Vancouver 25, 1985, Lake DeGray, Arkansas, \$19,900, sold 8/14/08**

1985 Vancouver 25

<http://www.sailingtexas.com/svancouver25c.html>

- Yanmar Diesel Approx. 20 gal tank
- The boat is a canoe-stern model with heavy rigging...she is made for ocean sailing but does very well on inland lakes.
- A/C
- LORAN
- VHF
- Auto pilot
- seahood contains compass, knot and depth gauges
- Pressure water system as well as hand and foot pumps at sinks
- This boat has a heavy, thick wood high-polish interior and was made in Taiwan.
- Transportation is available.
- a spec sheet is available for those interested.

*David:*

*Even though your web site did not sell my sailboat, I really do appreciate what you are doing for the sailing community.*

*I could not believe it, but someone saw our boat through our Yacht club web site. It is SOLD.*

*Thanks again,*

*Terry*
